Saba University

Saba Centra Symposium Boot Camp

Features

- 2-days, virtual or physical classroom
- Up to 12 people
- Get started quickly on Saba Centra Symposium

Audience

- Event Leaders
- Content Developers

Overview

Saba University boot camps are training experiences that enable participants to develop expertise quickly in a focused, intensive learning event. The boot camp provides an interactive, dynamic and hands-on environment that uses the customer's own configurations, processes and content examples. Participants learn in a realistic setting with immediately applicable activities and exercises.

The Saba Centra Symposium Boot Camp for Event Leaders and Content Developers covers aspects of designing, developing, and delivering events using Saba Centra Symposium. Topics include:

- Session Management
 - The Interface
 - Audio
- Using Leader Tools
 - Whiteboard and Mark-up Tools
 - Surveys & Evaluations
 - Chat
 - Video
- Application Sharing
- Web Safari
- Using Breakout Rooms
- Agenda Builder
 - Building and Packaging the Agenda
 - Uploading the Agenda to the Saba Centra Server
 - Assembling Content
- Creating Subjects and Testing Events
